You didn't have to share your "bounty" with us at all, it was a very considerate thing to do -
(end of overlapping dialogue)

ANNIE

Stop it! Stop it, I can't take this!

Annie's outburst stops the cacophony. All look at her.

I am a nice, Irish lady from Yonkers-

Chuck enters.

- who is going to end up a junkie in cell block C, feeding my habit by blowing the staff!

Chuck makes an abrupt about face and exits.

Annie! Stop watching *Dateline!* Everybody just calm down, OK? What's the scope of the problem here? Tyler told me there are, what - seven plants?

PEG

Yes. And according to my research, fully mature Sativa plants. Possibly Blue Dream. Plus grow lights and some other stuff. Rolling papers, a few lighters and a bong that's kind of shaped-like - have you read the Kama Sutra?

JOSEFINA

(holding up her hand)

Understood. So seven fully grown plants.

PEG

Yes.

JOSEFINA

Plus paraphernalia.

PEG

Yes.

A long pause.

JOSEFINA

I'll give you thirty five hundred.

JOHNNY

What?

JOSEFINA

But I keep the grow lights.

PEG

YOU want to buy them?

JOSEFINA

Seven mature plants? Yes. And if it's Blue Dream, that's a very high yield.

DENNIS

YOU want to buy them?

JOSEFINA

I'll pick them up at your place on Thursday night, if that works. My brother has a dry-cleaning business, he's got a van.

ANNIE

Oh my God, we're drug dealers.

JOSEFINA

I'll see you Thursday night, Peg?

PEG

(bewildered)

Uh - O.K., fine.

DENNIS

You really want to buy them?

JOHNNY

God Bless our Lady of Lafayette Avenue.
